Hiring Process

Hiring at The St. James Tearoom involves a multi-stage interview process. The first stage involves a phone interview to seek clarity on the application and availability. If chosen as a candidate for the position(s), you may be called in for an in-person interview, where you will be asked questions designed to determine if you are a fit for the position(s) for which you have applied. Please allocate up to one hour for this in-person interview.

If the Hiring Manager(s) determines that you are a strong candidate, he or she will call you back to schedule a realistic job preview and second interview, which will provide you an opportunity to directly observe the position you are being considered for, and to ask any questions that you may have about the prospective position, all while shadowing a seasoned employee during a live tea service or shift. Please allocate up to three and a half hours for the realistic job preview and the follow up second interview.

I understand this hiring process and agree to participate in the stages of the interview process. I also understand that even upon completion of both interview stages, I am not guaranteed employment at The St. James Tearoom.
